

# **Function Policy**

Set menu options are available for groups over 20 only.

For bookings under 20 guests may order from the main menu, however entrees are not available as mains.

## **Extremely Important**

Once your final numbers have been confirmed, it is your responsibility to notify us of any changes in numbers a minimum of 24 hours in advance. Failure to do so can result in a surcharge of \$20 per empty seat.

## **Reservation & Deposit Fees**

All groups of 20 or more will be required to pay a deposit to hold the reservation. A deposit of 10% is payable 7 days prior to your reservation date. (ie: if your booking is for 30 guests having a \$45 set menu, your deposit payable would be \$135.00)

This amount will be credited to your account on the evening.

## **Bill Payment**

Payment of your account must be made on the evening of your function. We are a small business and we order and pay for our stock as we go, for this reason we do not give out accounts.

We do not accept cheques

We accept payment in cash, EFTPOS, Visa, Mastercard & Amex with the following surcharges:

Visa & Mastercard payments incur a **2% Surcharge**

Amex Payments incur a **3% Surcharge**

### **Bill Splitting**

Splitting of bills can be complex when there are a lot of guests.  
Our System can split bills in the following two ways:

1. Divide the entire bill by the number of guests on the table.
2. Itemise each guest's meals and drinks.

Option two is the most popular choice, however this relies heavily on each guest remembering what they have ordered, and how many rounds of drinks they have had.

Unfortunately sometimes this can be underestimated.

Safari Club takes no responsibility for covering any costs of meals or drinks that guests have neglected to pay for, and in this circumstance it is the booking host's responsibility to cover any outstanding amounts owing on the account at the end of the evening.

### **Drinks Service & Bar Tabs**

License restrictions do not allow patrons to walk up to the bar & order drinks.  
All drinks can be ordered from your waiter or waitress.

Bar Tabs are available upon request, we are able to set these up for you provided we know before you arrive, they can be set by budget and also any particular drinks restrictions you may want to specify.

### **Dietary requirements**

We are able to cater to most dietary requirements with our set menus, just notify us in advance if you have any particular allergies, requests, or if you would like to add a vegetarian option to the menu.

\*We do not use peanut oil or products in any of our dishes or sauces

For any further questions on your function please email Justine on
